Mulberry Leaf Memorial Tree

The Mulberry Tree is made in the UK from corten steel with UK sourced granite leaves. Corten steel is designed to naturally rust, giving the tree trunk and branches a natural rugged appearance, which will continue to develop over several years. The granite leaves bring the tree to life with their colour and shape.

The tree comes complete with 240 blank heart shaped leaves. Each leaf has space to allow for the loved one's name, their dates and a simple design.

The inscribed leaf will simply take the place of the original blank leaf.

The tree is located on the roundabout at the Town Cemetery on Walford Avenue.

The Mulberry Tree at Ross Town Cemetery provides the opportunity to remember a loved one. The tree holds 240 individual granite leaves which allows one person to be memorialised per leaf - this makes each memorial leaf as unique as those on a living tree.

The leaf is inscribed with your loved ones name, date and/or a brief message, with the option to add an image from our available options below. The inscribed leaf will be installed on the Mulberry Tree for a period of 5 years. At the end of the period, we will contact you to ask if you would like to extend for a further 5 years for an additional cost. Please note the lease period is for a maximum of 10 years only. If you decide not to renew, the leaf will be removed from the tree and either returned to you or recycled on your behalf. The space on the tree will then become available for another dedication.

Please note you are not permitted to:

- Carry out any maintenance activity
- Inscribe anything on the sculpture
- Add any further inscription to the leaf once installed
- Attach any items to the sculpture
- Place any items around the sculpture, or in the area surrounding it
